

OIS Newsletter

October 2015
Volume 1, Issue 2

Dear friends,

This month's Newsletter is dedicated to the memory of our great friend Kiko who tragically passed away recently.

Kiko was a founding student of OIS, and many of us also knew him and taught him prior to the school opening.

I remember him from when he was one of my tutees in Year 7; a regular boy, who loved football and his friends. He didn't start off as a high-flying academic student, but with help from his teachers, parents and friends, and with a lot of hard work on his part, he succeeded in passing the IB Diploma and enjoying his University course of Business Management.

Rest in Peace Kiko, we miss you and are proud to have known you.

In memory of Kiko

Kiko was a founding student at OIS-Oeiras International School and will be missed by all of us forever...

I have known him since his early years at his previous school and as anybody can see from his picture he didn't seem to change much over time.

What was apparent was that he matured as a person through his years in the MYP then as he moved into the DP.

I can still remember when he first tried Mathematics HL, freshly moved from Year 11, and how he transformed my classes into joyful happenings; but he definitely had a talent there.

In truth he also loved when chocolates were available in class, for the sake of "magnesium" intake!

A good friend and sportsman, Kiko would not allow for unfair competition to take place and he would always argue against it.

Again I enjoyed being part of his OIS team at the last FUN & GAMES day in July, a fundraiser for the BCC-British Community Council.

In the end... I just want to say that having met and worked with Kiko has made me a better person and I know that all his friends will say the same!

Friends of Kiko honoured him by displaying this poster at the stadium of Estoril Praia Football Club.

The Sporting player, William Carvalho, posted this photo on his Facebook page.

“This victory is dedicated to Kiko and his family”

Students and Staff of OIS pay respects at a special football match dedicated to Kiko.
