

Welcome
Back! We
missed you!

ACADEMIC YEAR 2020/21

Bubbles

Each Year group is a **bubble**.

Bubbles need to avoid contact with other bubbles where possible – stick together and **don't burst your bubble!** Stay with your own year group, it helps with contact tracing.

Go to **lunch promptly** at your allocated time.

Sports played at lunch must be in year group bubbles.

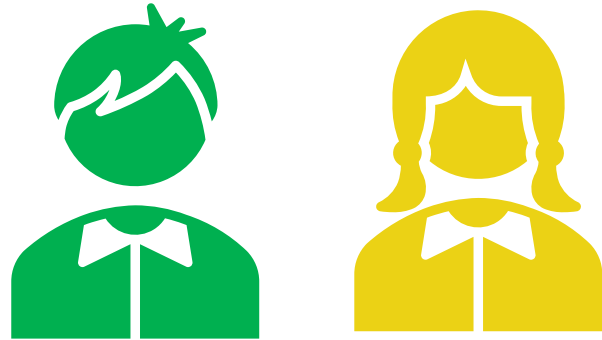

At the end of the day, you need to gather in your bubble holding area near the Gym (or else go immediately to your bus).

Some changes this year...

Masks **must** be worn inside at all times ...
Sorry, but remember we are protecting each other! Try bringing 2 or 3 different types for comfort.

Some changes this year...

Café **open** at break – distanced queue outside on balcony. Exit through serverly. Microwaves are **not to be used** at all.

REMEMBER

- Tiredness

If you develop symptoms during the school day tell your teacher and go to the nurse.

And finally ...

We are here for you. We like you a lot, we care about you and we have time and space for you. *We will* listen to your concerns.
